PROFESSIONAL SUMMARY

Software engineer building modern, responsive, and interactive web applications. Experienced across the full stack, from motion-driven React front-ends to PHP and MySQL back-ends, with strong skills in user interface development, debugging, and problem-solving. Works effectively both independently and in agile teams, and enjoys helping others understand technology.

WORK EXPERIENCE

Software Engineer, FLOW Communications, Johannesburg Present

- Build and maintain high-end web applications and client websites end to end.
- Develop interactive, motion-driven front-ends using React, GSAP, and Tailwind CSS.
- Work with PHP and MySQL back-ends; currently deepening React and Laravel expertise.
- Collaborate with designers and stakeholders to deliver responsive, accessible interfaces.

Web Developer (Learnership), Umuzi.org

- Completed intensive full-stack web development training: JavaScript, PHP, MySQL, and unit testing with Jasmine.
- Delivered projects against real client briefs with code reviews and agile ceremonies.

Software Developer (Internship), BBD (Vodacom programme), Feb 2020 - Jul 2020
Johannesburg

- Collaborated in an agile team integrating web-based projects.
- Developed broad technical foundations using the T-shaped skills approach in a fast-paced environment.

TECHNICAL SKILLS

Frontend: JavaScript, TypeScript, React, HTML5, CSS3, Tailwind CSS, GSAP, jQuery, Bootstrap

Backend: PHP, Laravel, Node.js, Python, C

Databases: MySQL, MariaDB, PostgreSQL, MongoDB, SQLite, Firebase, Supabase

Tools and DevOps: Git, GitHub Actions, Bitbucket, Docker, Webpack, Nginx, Apache, Netlify

Testing: Playwright, Jest, Jasmine

Design: Figma, Canva

PROJECTS

Vortex AI - A cinematic AI assistant interface. Built with React and GSAP.

Inkspire - Studio business management system. Built with Vite and Firebase.

Portfolio Website - Scroll-driven interactive video portfolio. Built with React, TypeScript, Framer Motion, and Tailwind CSS. <https://kseperep1.github.io>

EDUCATION

Midrand High School, Midrand - National Senior Certificate (Bachelor pass) Jan 2012 - Dec 2016

INTERESTS

Web technology, gaming, cooking, and go-karting racing.
